

DISTRICT EAGERLY AWAYS RESULT OF TODAY'S BALLOTING

Both Sides Express Supreme Confidence in Outcome of the Election.

With both sides expressing supreme confidence in the outcome, Republicans and Democrats of the District are awaiting today the results of the election.

Never before in a local campaign have the women played so active a part. The Women's Republican Club of the District and the Women's Wilson Union have worked night and day for the last six weeks in the organization of rousing rallies for the respective candidates.

The Women's Wilson Union will keep open house at its headquarters, 1517 Pennsylvania street, between C and D streets northwest, until the last ballot is counted tonight, and while the returns are being counted, special wires the women will give a dance with music furnished by the Wilson League Band.

The headquarters of the Women's Republican Club, which almost adjoins the Women's Wilson Union on F street, will also have the benefit of special wire service on the returns, and while these are coming in the members will sing patriotic songs and listen to speech-making.

Motion Pictures.

At the headquarters of the League of Republican State Clubs at 1412-14 H street northwest, there will be special electric returns and motion pictures. The members of the Wilson and Marshall Democratic Association will receive the returns in the white parlor.

Despite the fact that the legal residents of the District have no vote, it is estimated that about 12,000 who live here having franchises in other States, have returned home to vote. Of this number it is estimated that about 8,000 will vote for Mr. Hughes.

Many of the Democrats from the South, temporarily living here, are not returning home owing to the fact that their respective States are so overwhelmingly Democratic that the votes will not be needed.

Other Contributions.

In addition the league has contributed \$1,000 to the Republican Congressional campaigns in the Fifth and Sixth Congressional districts of Maryland, which join the District of Columbia, and \$500 to the Maryland State central committee.

The amount of Democratic contributions collected in the District could not be learned, but most of these came from Democrats in the Government service.

Careful estimates, based on the reports of trained field agents of the National Republican League, of which he is president, caused Mr. Townsend to make the prediction of certain victory for Mr. Hughes. The league, which is the parent body of the League of Republican State Clubs, has had sixteen of these agents at work organizing Hughes and Fairbanks clubs all over the country.

"From these reports," said Mr. Townsend today, "there is no question but that New York, New Jersey, and all of England will go for Mr. Hughes. It is certain from what our field men tell me that Indiana and Illinois will do likewise, though there is some doubt about Ohio. The prospect in West Virginia looks good, and we have good chances in Kentucky."

Quite the opposite view was expressed by Charles W. Darr, president of the Wilson and Marshall Democratic Association, who has been campaigning in Maryland and Delaware, when he has not been directing the work of the association here.

Absolutely Safe.

"Maryland and Delaware are absolutely safe," he said, "and I believe Ohio, Illinois, Indiana, Wisconsin, Michigan, and Ohio, regarded by some as doubtful, will go for the President. If Wilson gets a majority of 60,000 in Greater New York, it will be sufficient to overcome the Republican majorities up-State. In many of the strongest Republican districts of up-State New York, the normal majorities will be materially reduced, if not wiped out. All this talk of Tammany domination in New York city is buncombe. Altogether Mr. Wilson will get a very large majority in the Electoral College."

He shall win without a doubt," enthused the women at the headquarters of the Women's Republican Club.

The talk that the women voters will go for Wilson is silly, said Mrs. Rogers, president of the Wilson Women's Union, "everything is his way."

Officers of the Wilson Eight-Hour League predict that Wilson will win the solid support of organized labor at the polls.

St. Paul to Have New Union Station in October

ST. PAUL, Nov. 7.—"And so you are going to have a new union depot in St. Paul to replace the one condemned by the State fire marshal. Well, when will it be completed?" asked Matt O'Callaghan, of O'Callaghan, Mich., of a yawning hotel porter here.

"In October," was the slight reply.

"You mean October, there isn't any such month as October."

"I know, that's when the building will be ready," said the yawner.

QUICK RELIEF FROM CONSTIPATION

Get Dr. Edwards' Olive Tablets

That is the joyful cry of thousands since Dr. Edwards produced Olive Tablets, the substitute for calomel.

Dr. Edwards, a practicing physician for 17 years and calomel's old-time enemy, discovered the formula for Olive Tablets while treating patients for chronic constipation and torpid livers.

Dr. Edwards' Olive Tablets do not contain calomel, but a healing, soothing vegetable laxative.

No gripping is the "keynote" of these little sugar-coated, olive-colored tablets. They cause the bowels and liver to act normally. They never force them to unnatural action.

If you have a "dark brown mouth" now and then—a bad breath—a dull, tired feeling—sick headache—torpid liver and are constipated, you'll find quick, sure and only pleasant results from one or two little Dr. Edwards' Olive Tablets at bedtime.

Thousands take one or two every night just to keep right. Try them. 25c and 50c per box. All druggists.

DEAD COVERGROUND ALONG THE SOMME

British and French Losses Fearful in Fruitless Attack, Berlin Reports.

BUCHAREST, Nov. 7.—Rumanian armies on the Dobrudja front have advanced along the whole line, the war office announced this afternoon.

BERLIN (via Sayville), Nov. 7.—Heavy losses have been sustained by French and British forces in the past few days of their powerful offensive, the war office stated today. Australian troops suffered especially on Sunday, as did French attacking forces, which charged time after time across fields covered with their own dead.

In the group of Crown Prince Rupprecht, the statement said, although the English visibly intended to continue their heavy attacks yesterday, they only succeeded east of Court l'Abbaye in leaving their trenches, and were forced immediately to return.

The English losses of dead November 6 were especially considerable in the Australian divisions, and the French delivered their last attacks across ground covered with dead.

"The attacks were resumed against Les Boeufs and Rancourt toward nightfall. They were all broken down in the face of our heavy fire."

NEW ALLIED DRIVE DEVELOPS STRENGTH

Offensive Opened on Practically All Fronts.

LONDON, Nov. 7.—Continued activity on practically all fronts, with severe fighting at some points, has marked the past twenty-four hours.

At all but one or two points the entente allied armies are developing strong offensives, with what appears to have been gratifying success in some instances.

Since the partially successful German counter attacks, which for a time checked French and British stirring lines that had swept into German trenches along the Somme, there has been no claim from Berlin to refute London and Paris statements that the terrain captured has been consolidated.

Although infantry operations on the west front died down late yesterday, there was heavy artillery firing, the English night report mentioning especially heavy shelling of the British front.

The Germans appear to have consolidated their regained ground in the region of Butte de Warlencourt, where counter-attacks drove the British from hard-won trenches.

In Pierre Vaast wood French troops during the night continued coming out of the German lines, and were captured during the first rushes.

The Rumanians apparently have failed to retrieve their defeat in the Predal region, where the Austro-Germans captured Lacon Heights, but they appear to have maintained the positions won in the Dobrudja region, where they drove the enemy out of three villages.

GERMAN LOSS HEAVY ON ROUMANIAN FRONT

More Than Division And a Half, Say Bucharest Dispatches.

LONDON, Nov. 7.—German losses on the Rumanian frontier in the Jull valley fighting have exceeded a division and a half, Bucharest dispatches from Bucharest stated today.

A German army division consists of about 20,000 officers and men of virtually all fighting classes.

Wouldn't This Jar You?

How's the election going? If you were a busy editor, and had gotten out of bed early this morning, when the sweet little birds had not yet begun to tweet, and if you had waded through a mass of "early copy" and early mail, and were deep in the throes of making out an assignment sheet for the hustling, bustling young reporters.

And if, in spite of the temperature, you had your sleeves rolled up and were beginning to feel like the middle of a June day, and you faced the outlook of a busy day today, and staying at the office until Heque was a very large dog tonight, and then somebody called up before even the telegraph operator arrived, and you wanted to know how the election's going.

And all this shortly before 8 o'clock in the morning, when all persons really should just be rising for their day's activities.

Well, wouldn't it jar you?

BERLIN (via Sayville), Nov. 7.—The sinking of the small British cruiser by a German submarine off the Irish coast has increased the enemy's losses in battleships and cruisers to 501,790 tons, the war office announced today.

British Better Positions In Bapaume Fighting

LONDON, Nov. 7.—British positions about Butte de Warlencourt, south of Bapaume, where terrific fighting has centered in the Somme offensive were improved last night, General Haig reported to the war office today.

A successful raid was conducted by British detachments on German trenches near Serre.

German Air Squadron Destroys Munition Depot

BERLIN (via Sayville), Nov. 7.—A large ammunition depot at Ceresy on the Somme has been destroyed by German air squadrons, the war office announced today. The detonation is described as being "long, lasting, and powerful, and heard as far as Saint Quentin."

DECISION ASKED ON GENERAL TRANSFER

William McK. Clayton Wants Public Utilities Board to Act Soon.

William McK. Clayton, chairman of the public utilities committee of the Federal Reserve Board, today filed with the Public Utilities Commission a letter asking for an early decision on the question of a general transfer between the street railway companies of the District.

Directing attention to a public hearing on the subject held October 29, 1915, Mr. Clayton says that it has since been stated unofficially by the commission that no conclusion could be reached until the completion of the physical valuations of the companies' properties. He is informed, he adds, that such valuations were completed some months ago.

Officials of the commission said today that while it is true the valuations are completed, hearings on them now are in progress and that as the question is one involving rates it cannot be decided until the traction companies have had an opportunity to present their side of the case.

WHY HAIR FALLS OUT

Dandruff causes a feverish irritation of the scalp, the hair roots shrink, loosen and then the hair comes out fast. To stop falling hair at once and rid the scalp of every particle of dandruff, get a 25-cent bottle of Danderine at any drug store, pour a little in your hand and rub well into the scalp. After a few applications all dandruff disappears and the hair stops coming out.—Adv.

When peevish, cross, listless, pale, doesn't sleep, doesn't eat or act naturally, or is feverish, stomach sour, breath bad; has stomach-ache, sore throat, diarrhoea, full of cold, give a teaspoonful of "California Syrup of Figs," and in a few hours all the foul, constipated waste, undigested food, and sour bile gently moves out of its little bowels without griping, and you have a well, playful child again.

You needn't coax sick children to take this harmless "Fruit Laxative." They love its delicious taste, and it always makes them feel splendid.

Ask your druggist for "California Syrup of Figs," which has directions for babies, children of all ages and for grown-ups plainly on the bottle. Beware of counterfeiters sold here.
